

FemSTEM

Recruitment, retention, progression

Co-funded by the
Erasmus+ Programme
of the European Union

PROJECT DESCRIPTION

The FemSTEM Coaching project aims to bridge the soft skills gender gap in STEM, by **providing women with tools and techniques** to develop their confidence and soft skills through a combination of online training and peer-support Coaching Circles™, that are framed around the Recruitment, Retention and Progression Framework (RRP).

OBJECTIVES

Use the RRP framework to create a comprehensive approach to deliver interventions to address the challenges faced by women during the RRP stages

- Develop an E-Coaching programme for women in STEM
- Develop a face-to-face peer coaching programme for women in STEM
- Increase women's self-confidence, self-efficacy and develop their soft skills and employability skills
